

## Director of College Counseling

Student Leadership Network (SL Network) operates three programs that empower young people from underserved communities to access educational opportunities that prepare them to lead successful lives: The Young Women's Leadership Schools (TYWLS), a high-performing network of all-girls public secondary schools; CollegeBound Initiative (CBI), a comprehensive college access and success program for young men and women; and the Young Women's Leadership Network (YWLN), a national network of 15 all-girls affiliate schools modeled after our TYWLS network. SL Network programs promote a college-going culture in schools and make the dream of college a reality for the students we serve. **CBI is seeking a Director of College Counseling (DCC) for the Young Women's Leadership School of Brooklyn.** The DCC will provide comprehensive services that include: early college and career awareness activities, personalized college application support to achieve best "fit" acceptances for students, guidance with the financial aid process to secure financial aid packages that make college success achievable, transition to college workshops and alumnae opportunities. The **DCC** guides students to overcome personal, cultural, and financial barriers to college success and works closely with principals and teachers to create a college-going culture that raises parent and student expectations.

### Primary Roles and Responsibilities include but are not limited to:

- Manage the college application and financial aid process for all graduating seniors while adhering to deadlines
- Network with college admissions professionals to improve school visibility and reputation leading to the active recruitment of our students by colleges and universities
- Execute CBI Standard Components, with fidelity, including classroom presentations, student workshops, parent meetings, college fairs, and college trips for each grade level
- Manage CBI college transition coach throughout the academic year including the summer implementation of the Bridge To College Program
- Support the school's administration, staff, and faculty to implement early college and career awareness that provides each grade level with appropriate college guidance and learning via a distributed counseling model
- Support student recruitment for maximum participation in partner college and other third party enrichment programs
- Manage Naviance database to ensure accurate and timely recording keeping of all standard program components
- Additional duties as assigned
